

"Need It, Get It" Grant Application

1. Name of applicant: _____
2. Name of School: _____
3. Project Cost: _____ Number of students served: _____
4. Title for your Project: _____
5. Give a brief description of how the funds will be used: (Include the initial, intermediate and long term outcomes expected as a result of this project.) Is this program sustainable or will it only be offered for this school year only? Please submit this description on a separate page.
5. Projected starting date if funded: _____

Teacher's signature Principal's signature _____

By signing this application, both the teacher and the principal are verifying that all funding opportunities with the school have been explored, and at this time, there is no other funding available for this project. By signing this application, the school principal is giving her/his approval for this project, if funded.

Teachers requesting "Need It, Get It" need to be a participant in the BCEF employee monthly giving program.

Due to limited funds available at this time, the BCEF asked that your request is limited to a maximum of \$250.

The BCEF request photos of all funded projects with a brief summary, to use in our PowerPoint presentations at events and our Facebook page. We like to share what projects we support, so maybe others from our community will donate to our cause which is "Improving the quality of education in Bradford County Public Schools."
